

**Northampton Living Streets:** <https://www.livingstreets.org.uk/get-involved/local-groups/northampton>

I occasionally get mails from one of our active members John Crick who has joined with us and represented Cycling UK Northampton on various sub-committees. He is a member of **Northampton Living Streets** which is a group of local residents who are campaigning to make the experience of living in and moving around our town better for all. But for people to walk and cycle more Northampton's roads need to be made safe.

They are campaigning for:

1. Low traffic, child friendly neighbourhoods, free of rat runs.
2. Safe and well maintained cycle routes throughout the town.
3. Clean, hazard free streets
4. Safe, pedestrian friendly road crossings
5. School Streets and 'park and stride' schemes

Their website: <https://www.livingstreets.org.uk/get-involved/local-groups/northampton> explains.

This **request to club members** came from him recently.:

"I just wanted to let you know that Living Streets Northampton is now on Facebook: [Facebook'a Giriş Yap](#)
