

Northamptonshire and Milton Keynes D.A.

Sunday March 9th. saw a contingent of the Northampton Section set out at the somewhat earlier time of 9 am, (crack of dawn for the writer). The destination of the run was the Milton Keynes C.C. Clubroom at Harley Hall to attend a meeting to form the Northamptonshire and Milton Keynes District Association.

We cycled via Wootton to Quinton, where we met up with Tom Chapman and Keith Tapp, and through Hanslope to Wolverton. We were making good time as it was a pleasant sunny day and, being as we like to make use of all facilities put at the disposal of cyclists, we decided to use the Redway cyclepath for the remainder of our journey to Harley Hall. Although enjoyable, it took a little longer than anticipated. Upon arrival we met a few other Northampton Section members who had made their own way there, bringing our total representation to 15.

At the meeting we were pleased to see C.T.C. Councillor John Franklin and 11 members of the Milton Keynes Section. Bob Stuart was elected chairman and Phil Ashbourn minutes secretary for the meeting. The motions, amendments, voting and other formalities were dealt with rapidly. the principle motion, which was carried unanimously was that the "meeting resolves to ask the C.T.C. Council to approve a change of name of the re-established Northamptonshire D.A. to Northamptonshire and Milton Keynes D.A. of the C.T.C."

The following officers, committee and auditor were all unanimously elected:

Secretary	Mick Holliday,
Treasurer	Stephen Williams,
Planning Officer	Bruce Cadenhead,
Committee	Keith Gould, Jeremy Hollis,
Ron Gingell, Eileen Gingell, Graham Pickering, Bob Stuart,	
Geoff Carverhill, Carrie Roberts,	
Auditor	Sue Holliday.

The chairman closed the meeting by thanking those present for coming along and helping to create the new D.A.

In the afternoon, the Milton Keynes C.C. had organised a tour of the linear parks and cycleways and some of our members took part. The cycleways are a combination of existing bridleways and purpose built routes covering the whole of the new city.

I would like to personally extend my thanks to Phil Ashbourne for his time and effort in bringing about the formation of the new D.A.

Geoff Carverhill
